Thank you for checking out my profile !

I'm a professional Japanese narrator voice-over actor with a home studio located in Yamagata ,Japan.

I had the training of home recording with “voice over Japan”.

My voice is used in various places.

I have many kinds of voices(versatile clear voice & smooth relax voice & lively cheerful voice& sophisticated cool voice etc…)

Recently, I have been involved in many major projects as a Japanese voice actor for multilingual dubbed videos and have received very high praise and repeat business.

You can get the Japanese voice with correct pronuncaion that you hope!

Check my voice samples.

Ask me when you need Japanese voice.

Let's have the greatest works together!
